Travel Insurance We recommend that all passengers take out travel insurance. The price of your tour includes a travel insurance policy underwritten by Allianz Australia Insurance Limited, which is arranged and managed by ETI Australia Pty Ltd trading as Mondial Assistance. Travel insurance is provided as part of this package and is not applicable to Land Only or Cruise & Land Only bookings. Any information provided in

the brochure is general and does not consider your objectives, financial situation or needs. To decide if this travel insurance meets your needs, you should refer to the Product Disclosure Statement ('PDS') available from www.captainschoice.com.au (under Terms & Conditions). If you elect to decline the accepted travel insurance, the tour price will be reduced by the amount of the policy but you are required to advise us of your alternate insurance arrangements prior to making your final tour payment. The combined Financial Services Guide and Product Disclosure Statement will be provided when you enquire into this package. A policy will be issued on successful completion of an insurance application form and payment of deposit. Any passengers 81 years and over as well as those with pre-existing conditions must complete a Medical Declaration Form and may be required to pay an additional premium. Cover for passengers 81 years and over and those with pre-existing conditions shall be subject to the insurer's approval.

Participation in the Program Reservations are accepted on a first-come, first-served basis. The Tour Operator reserves the absolute discretion, in the event of behaviour detrimental to other persons, to decline any person's participation at any time during the program and cancel that person's participation in the tour, in which case any refund will be on a recoverable cost basis only.

Cancellation of Tour and Itinerary Changes In the event that, at the sole discretion of the Tour Operator, it is necessary or advisable for the tour to be cancelled due to such events as outbreak of conflict, government intervention, or withdrawal of traffic rights, or in the event of insufficient participants being available, the refund of all the monies paid, pro rata if applicable after departure, shall constitute a full and final settlement by the Tour Operator and their agents of any obligation to participants. The operation of the tour program, according to the planned itinerary, is at the sole discretion of the Tour Operator, having in mind the welfare of all participants and the safe and prudent operation of the program.

Airline Schedule Changes The airline departure, arrival and connection times are correct at the time of brochure printing (September 2009). There are occasions when airlines change their schedules and this may affect the operation of the tour. If an airline schedule change occurs The Captain's Choice Tour cannot be held responsible but we will endeavour to find the most suitable connection according to the original itinerary. Additional costs incurred as a consequence of airline schedules are at the expense of the passenger. Internal flight connections are in Economy Class, unless specified.

Governing Rule The tour proposal set out herein and the participants' acceptance by completion of the registration/booking form creates an agreement between the Tour Operator and the participants subject to the law of the State of Victoria, Australia. Completion of the registration/booking form, together with the participant(s)' signature, verifies acceptance of these terms and conditions. Passengers are also required to adhere to Terms & Conditions of Silversea.

Unused Services No refunds can be given for unused or partially used services during the tour program.

Photo/Video Photographs or videos of the tour may be taken which may be used for promotional purposes. If you submit photographs to be included on the group's DVD of images we reserve the right to publish them in future promotional material. Completion of your registration/booking form and acceptance of documents indicates your acceptance and release for this material to be used for promotional or resale purposes.

GST Currently GST is not applicable to international reservations. However, some Australian domestic connection travel may be subject to GST.

Group Tour It may be possible to make individual alterations to the itinerary away from the group tour (e.g. leave/return to Australia earlier/later), however, these changes may be subject to a surcharge.

Solo Travellers We will guarantee to arrange for single travellers to share a room in hotels to avoid incurring additional costs (we do not guarantee this on any ship or train accommodation, except on Silk Route). We may accommodate a smoker and a non smoker together, in this instance the room provided will be a non smoking room. If preferred, a single room supplement price is offered if you wish to have single room occupancy. Single rooms aboard ships and trains, at prices listed in the brochure, are limited. On trains and ships we will endeavour to match you with a single traveller of the same gender but occupancy of a single cabin by choice or circumstance (on trains and ships, except Silk Route) will incur a single supplement charge.

Accommodation On some tours, where a transit stop is necessitated by airline schedules, overnight or day use accommodation may be provided by the airline (where this applies it is incorporated into the itinerary). If you are not flying directly to the destination or returning directly to Australia this transit accommodation will not be provided.
